

Do you want to become part of a vibrant organisation where your contribution makes a real difference to the community?

NEET (Northcliffe Environmental Enterprises Team) is looking for new trustees to join our team.

We positively welcome applications from people with no prior experience - we'll help you build that.

What's more important is that you want to be part of a truly unique organisation that becomes a significant part of people's lives. Our beneficiaries are largely people with disabilities, and we serve a community that has significant BAME composition, but we do not have either of these on our board. This needs to change. We need to ensure that the voices around our table better reflect and understand the community we exist to serve.

NEET is a charity based in Northcliffe Park, Shipley. We work with around 70 people with a learning disability to offer daytime opportunities that are flexible and person-centred. The programme centres on personal development, welfare and practical learning opportunities in horticulture, cookery, woodwork and related activities. Our mission is to enable people with learning disabilities to lead an inclusive and fulfilling life.

Our board of trustees sets the strategy and vision for the organisation in partnership with the team. We're looking for up to four new trustees to join us in this extremely rewarding voluntary work. The time commitment is one trustee meeting a month for two hours, and anything you can offer over and above this is a bonus.

You will be someone who:

- Shares our values - we care; we enjoy ourselves; we are welcoming to all; we create opportunities together; we have pride in what we do; we have respect.
- Understands people with a diverse range of needs
- Wants to take responsibility for ensuring people benefit from the charity
- Is willing to learn and have honest, respectful conversations with others
- Understands as a member of the community what makes Shipley and the wider Bradford district tick.

To have an informal conversation and find out more, drop us an email at info@neetpeople.org or call Steve on 07976714580.
