

## **BEDDING PLANTS** **(AVAILABLE FROM 9TH MAY 2023)**

### **ALYSSUM | £3.00 PER PACK OF 6**

#### **GIGA WHITE**

Alyssum is low-growing, wide-spreading hardy annual producing a continuous display of flowers all summer long. Always early to bloom and a fantastic border edging plant

### **ANTIRRHINUM (SNAPDRAGONS) | £3.00 PER PACK OF 6**

#### **SHOWERS (MIXED COLOURS)**

A popular garden and bedding plant. An easy plant to grow and care for, which flowers well throughout the summer. A real favourite with children - who love to pinch the sides of the flowers to open the dragon's mouth.

### **ARCTOTIS | £1.50 PER SINGLE POT**

#### **HOLLY (HOT PINK)**

Known as South African daisies - enjoy a good drought. In a hot sunny position on light soil, the silvery-grey bushes will be transformed into a startling show of large 10cm blooms in vibrant colours.

### **BACOPA | £1.50 PER SINGLE POT**

#### **BLUE DELIGHT / SNOWFLAKE**

Bacopa makes a big impression for such a small plant thanks to long dangling stems that produce an abundance of small, beautiful flowers.

### **BEGONIA | £1.50 PER SINGLE POT**

#### **FORTUNE - MIXED**

#### **NON STOP - MOCCA (MIXED)**

#### **ILLUMINATIONS - LEMON / SALMON PINK / SCARLET / WHITE**

Begonia Semperflorens are one of the few summer bedding plants that grow well in shade. This makes them ideal for adding colour to shady areas of the garden. Once your Begonia plants are established, use 5 to fill a 12" or 30cm pot, or plant them in garden borders 6" or 15cm apart. Height and spread: 30cm (12").

### **BEGONIA | £3.00 PER PACK OF 6**

#### **PRESIDENT (MIXED COLOURS)**

They are ideal for adding colour to shady areas of the garden. Once your Begonia plants are established, use 5 to fill a 12" or 30cm pot, or plant them in garden borders 6" or 15cm apart. Height and spread: 30cm (12").

### **BIDENS | £1.50 PER SINGLE POT**

#### **HOT & SPICY (YELLOW/RED) / GIANT YELLOW**

The large flowers with burning orange and golden honey hues make this the perfect thriller in both containers and baskets. Compact habit which needs little maintenance to enjoy through summer.

## BEDDING PLANTS

### PAGE 2...

#### **BRACHYSCOME | £1.50 PER SINGLE POT**

##### BLUE

Usually come into flower in the summer and autumn. The fragrant flowers are daisy like, having a yellow or black center, with dark blue petals.

#### **CALIBRACHOA | £1.50 PER SINGLE POT**

##### CANDY SHOP GRAPE SPLASH (PURPLE & WHITE) / CANDY CRUSH (PINK & WHITE)

Calibrachoa, also known as Million Bells, is one of the most popular plants for growing in containers. A classic spiller plant, they have a trailing habit and look great in hanging baskets, bowls, or mixed containers.

#### **COSMOS | £3.00 PER PACK OF 6**

##### APOLLO MIXED COLOURS

This beautiful dwarf Cosmos reaches a maximum height of 60cm (24") making it perfectly proportioned for sunny borders and containers. The 8cm (3") wide, daisy-like blooms of Cosmos 'Sonata Series Mixed' float above the finest lacy foliage. Spread: 45cm (18")

#### **DAHLIA | £1.50 PER SINGLE POT**

##### MAGGIORE - FUN PASTEL

##### GRANDE - DEEP ORANGE / MAGENTA / YELLOW

##### DREAMY - DANCE (PINK) / HOT CHOCOLATE (DEEP RED/RICH CHOCOLATE)

With their intense colour, strength, and ability to keep flowering until the first frosts, dahlias are easy to grow and bring life to your garden. Dahlias like well-balanced and composted soil, and full sun.

#### **DIASCIA | £1.50 PER SINGLE POT**

##### LITTLE DANCER (PINK)

Bedding plant. Diascia, sometimes called twinspur, is a delicate, frothy type of plant. Some varieties will spill over pots, and others tend to grow more upright. Most diascia species are short-growing, reaching no more than 30-45 centimetres (12-18 in) in height

#### **FUCHSIA | £1.50 PER SINGLE POT**

##### DARK EYES (PINK & PURPLE) / HAPPY WEDDING DAY (WHITE, PALE PINK STEMS) / LA CAMPANELLA (HOT PINK & WHITE)

Trailing plant. Their flowers are diverse, ranging from dainty and elegant to bold and bright, which makes them them great additions in bedding displays, containers or borders.

#### **GERANIUM | £1.50 PER SINGLE POT**

##### ZONAL - MOON KATY (DARK PINK) / MOON LOKI (SALMON) / CORALI (CORAL PINK) / MOON DENISE (RED) / ELLA (HOT PINK) /

##### FLOWERFAIRY VELVET (DEEP PINK/RED) / HOLLY (PALE PINK & WHITE)

##### IVY LEAF - WHITE / APRICOT / HAPPY FACE MEX (2 TONE PINK) / HAPPY FACE WHITE (PINK CENTRE)

Geraniums are a long-time favourite of gardeners. They are easy to grow, colourful, and emit a lovely scent. Geraniums may be grown as houseplants or as annual flowers. During the warmer months of the year (between your local frost dates), they can be kept outdoors in a sunny location.

#### **GERANIUM | £3.00 PER PACK OF 6**

HORIZON - NEON ROSE / SHADOW CORAL / SHADOW RED / SHADOW SALMON / WHITE

Geraniums are a long-time favourite of gardeners. They are easy to grow, colourful, and emit a lovely scent. Geraniums may be grown as houseplants or as annual flowers. During the warmer months of the year (between your local frost dates), they can be kept outdoors in a sunny location.

#### **IMPATIENS (BUSY LIZZIES) | £3.00 PER PACK OF 6**

BEACON (MIXED COLOURS)

Cheerful plants that brighten up beds, borders and containers from late spring through the summer. They have simple green foliage and produce a profusion of vibrant flowers in pink, purple, orange, red and white.

#### **LOBELIA | £3.00 PER PACK OF 6**

CAMBRIDGE BLUE - UPRIGHT / SAPPHIRE - TRAILING (BLUE/PURPLE) / WHITE - TRAILING

Blooms from late spring until the first frost of the autumn. It is a small plant that produces copious amounts of little blooms. Lobelias display well in a garden bed on their own or as part of a cottage garden mix.

#### **MARIGOLDS | £3.00 PER PACK OF 6**

AFRICAN - ANTIGUA GOLD (ORANGE) / ZENITH (MIXED - RED, YELLOW & ORANGE)

FRENCH - SAFARI ORANGE / SAFARI YELLOW / RED KNIGHT / ZENITH RED / NAUGHTY MARIETTA (YELLOW & RED)

Marigolds are cheerful, brilliantly coloured annuals that are long-standing favourite summer flowers for borders and pots. All marigolds are excellent for attracting pollinating insects.

#### **MARGUERITE | £2.00 SINGLE POT**

HUISINK (WHITE) / SIMBA PINK WITH EYE

These daisies are a beautiful plant for tubs, baskets and borders, around 50cm high. They make a great display with just a two plugs in large pot but can also be combined with other summer flowering plants for a luxury pot or border.

#### **NEMESIA | £1.50 SINGLE POT**

EASTER BONNET (PINK & WHITE) / MYRTILLE (BLUE) / ORANGE

Probably best in containers and baskets, crammed in with other seasonal plants such as osteospermums and diascias for a summer-long display.

#### **OSTEOSPERMUM | £1.50 SINGLE POT**

FELIX (WHITE) / HAVILAH (PINK & ORANGE) / SUNNY MARY (MAGENTA) / HOT PINK HALO (2 TONE PINK)

The colourful daisy-like flowers of osteospermum brighten up the border or patio with their cheerful blooms that open with the sun and close as evening comes.

#### **PETCHOA | £1.50 PER SINGLE POT**

SUPERCAL - CHERRY IMP (PINK)

Petchoa blooms are as wide but a bit shorter and look scalloped or more fused than a petunia bloom. The petchoa blooms do not produce seed, so the flowers tend to hang on a lot longer than many petunias.

### PAGE 4...

#### **PETUNIA | £1.50 PER SINGLE POT**

SURFINIA - DEEP RED / GIANT PURPLE / HOT PINK / VANILLA WHITE / VIOLET (BLUE) / PURPLE

CRAZYTUNIA - BLACK MAMBA (BLACK & PURPLE)

Petunia – it's beautiful flowers, some of the most popular, which bloom from spring until the first frost. They attract a variety of cultivars, hybrids and ease of cultivation. They are often grown as annuals.

#### **SCAEVOLA AEMULA | £1.50 PER SINGLE POT**

SAPHIRA BLUE

The fairy fan-flower or common fan-flower. It grows to 50 cm in height and produces white or blue flowers in spikes up to 24 cm long from August to March in its native range. These are followed by rounded, wrinkled drupes to 4.5 mm in length.

#### **SALVIA | £3.00 PER PACK OF 6**

VISTA RED / VICTORIAN BLUE

Petunia – it's beautiful flowers, some of the most popular, which bloom from spring until the first frost. They attract a variety of cultivars, hybrids and ease of cultivation. They are often grown as annuals.

#### **SANVITALIA £1.50 PER SINGLE POT**

STARBINI (YELLOW)

A lovely compact form of Sanvitalia if you need a variety which will keep its shape this one consistently makes great, low maintenance pots and baskets. Lovely little yellow star-shaped flowers on tight green foliage.

#### **SUNPATIENS £1.50 SINGLE POT**

COMPACT - ELECTRIC ORANGE / HOT CORAL

SunPatians are stronger and far more robust than standard impatiens. Compact SunPatians grow into a tidy uniform plant which makes them ideal in patio pots and planters. As their name suggests, SunPatians also have superb weather tolerance with the ability to withstand wind, rain, humidity, scorching heat and cool shade.

#### **VERBENA | £1.50 PER SINGLE POT**

ESTRELLA - DARK PURPLE

VOODOO STAR (RED & WHITE)

Tightly clustered florets form glowing lavender flower heads that float atop stiffly upright, branching stems. The long lasting blooms of Verbena bonariensis attract clouds of bees and butterflies.
